Embracing a  
New Information  
Generation

# "If software is the answer, what is the question?"

Rowenna Fielding

Gary Shipsey

**Depends**  
Data Protection

3.14159?

## 5 steps to heaven...?

1. **Achieve** compliance.
2. **Maintain** compliance.
3. **Automate** manual processes.
4. **Visibility** and reporting tools.
5. **Manage** data subject rights requests.

# Manage data subject rights requests

Manage means what?

- Recognise requests 
- Validate requests 
- Locate data 
- Review data 
- Provide response 

Enable staff to message each other?

Record decisions on exemptions?

Maintain copies of original and final version?

# Visibility and reporting tools

## Visibility of what?

- What data do you collect to demonstrate compliance?

## Reporting on what?

- How many audiences do you have?

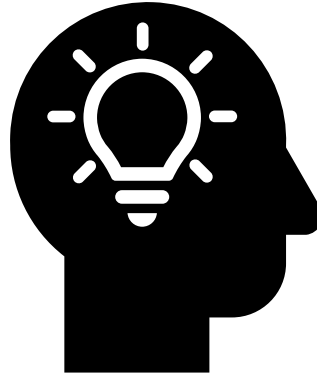

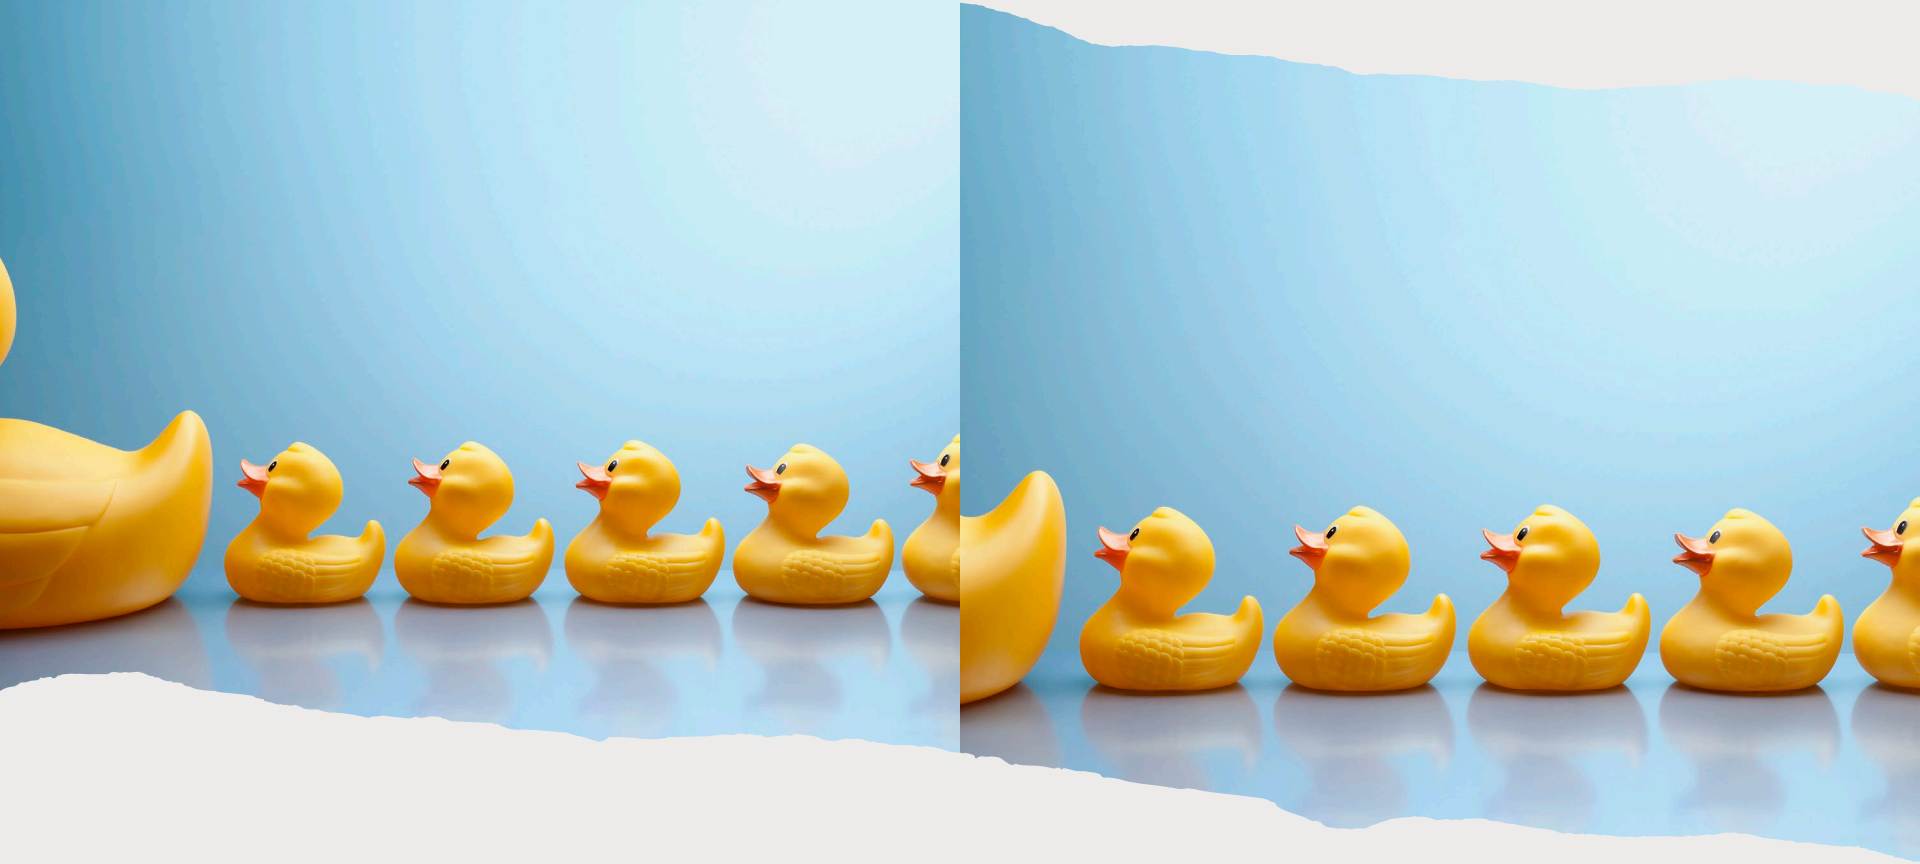

# Automate manual processes?

Automate means  
what?

Automate which  
ones?

- ROPA?
- DPIA?
- LIA?

Achieve compliance?

Maintain  
compliance?
